Subject : Logic Service Centrasia Performance on D-Island

Date : 06 JULY 2012

Dear Mr. Shorayev;

As Logic Service Centrasia's undertakings on Kashagan D-Island Project are complete, I take this opportunity to extend our thanks to Logic Services Centrasia for their commitment throughout the course of the project, which contributed to its successful completion.

Logic Services Centrasia has performed E&I Low Voltage(LV) Cable Terminations, High Voltage (HV) Cable Terminations, Instrument and Telecom Multicore Cable Terminations, Fiber optic Splicing , Cable Testing which includes continuity and insulation resistance (megger) tests. Highly qualified E&I Engineers of LSC Team have also assisted Site Engineering Team in a outstanding manner.

LSC personnel have ensured that the work was undertaken to a high standard, with the end product attesting to this.

Thanks to the entire LSC team who took part in the project and I look forward to having the opportunity of having your team assist us with any future challenges.

Yours sincerely,

Massimo Miserocchi
